MEMORANDUM : -

Lot No.8, Spirit River Settlement. 100 acres. Application of Mrs. Charlotte Thomas for a free grant.

It appears from evidence submitted by the applicant in a Statutory Declaration made before the Surveyor that her late husband, Louison Thomas, went into bona fide occupation and made improvements on the above lot prior to the date of the Indian Treaty.

Under Sub-section "C", Section 76, of the Dominion Lands Act, The applicant would, therefore, appear to be entitled to a free grant of the land in question in her capacity as Legal Representative of her late husband, upon Letters of Administration of the Estate of the deceased being filed in the Department.

The applicant claims that her late husband made a Statutory Declaration before the Half-breed Commissioner at Dunvegan in 1899, but this would not appear to be of record in the Department, and, in order, therefore, to authorize this grant, an Order-in-Council will be necessary.

Dear Sir:

Re- Lot 8- Spirit River Settlement-Alta- Louison Thomas.

In relation to the above mentioned Lot 8, Spirit River Settlement, Alberta. I beg herewith to enclose Certified copy of Letters of Administration granted to myself and John M. Fildes.

I believe that your last communication in this matter was to John M. Fildes of Spirit River, and in it you advised him that Patent was ready for issue just as soon as the Administrator was appointed. As this country was so far from civilization up till just recently no attempt was made to get the Letters of Administration, hence the delay.

Would you kindly issue patent in this matter and advise me when you do so.

Thanking you in anticipation of your kind attention

MEMORANDUM:---

I beg to return Ref. 4333, [illegible] claim of Mr. Charles Bremner to [illegible] at Spirit River.

Mr. Bremner thinks he is entitled to [illegible] of land at that point on account of his [illegible] residence- having been the first white settler to build, try stock raising, farming or cultivate [illegible] vegetables in that district. He also states that [illegible] he submitted his claim before Major Walker, [illegible] one of the commissioners to investigate [illegible] land scrip claims from the Peace River Treaty [illegible] commenced in 1899, it was for [illegible] land, that [illegible] taken by Major Walker that he could be granted the area applied for. In his application [illegible] by Major Walker in 1899 more years before any survey had been made in that District, Mr. Bremner stated that he claimed as a homestead and pre-emption half section (320) acres on the North side of Spirit River and a free grant of the land he occupied, the area of which latter could not be defined from his application.

In his application before the Surveyor who surveyed the land in 1907 he claimed [illegible] free grant lots 9 and 15, containing [illegible] 17.[illegible] acres, respectively, which he stated he had occupied since 1899, his improvements being on Lot 9. He further stated that he had been promised this land by Major Walker when survey could be made.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

In

In 1909 he applied to make homestead entry for lots 23 and 24, containing 94 and 93.6 acres, respectively. It was decided that his application for homestead entry should be confined to one lot only, and that the authority of the Governor in Council would be obtained to grant him lots 9 and 25- 160 acres free and the excess 13.5 acres at $3.00 per acre, and the Agent of Dominion Lands at Grand Prairie was advised accordingly. Shortly afterwards, however, the Agent was told that it had been overlooked at the time the application was under consideration that the lot on which Mr. Bremner, s improvements were situated was lot 9, and it would, therefore, be necessary to confine the free grant to such lot.

In this connection I may point out that the under the provisions of the Dominion Lands Act, sub-section 'c' of section 76, free grants may be made by the Governor in Council may not exceed 160 acres, unless there has been cultivation of more than [illegible] acres, which [illegible]. Bremner misunderstood Major Walker as it is not likely that he told him that he would be allowed a free grant of 800 acres of land.

Under the circumstances of the case, the best that could be done in my opinion for Mr. Bremner would be to allow him homestead entry for lots 23 and 24, containing [illegible] acres, paying for the excess 27.6 acres at $3.00 an acre and a free grant of 160 acres out of lots 9 and 25, as requested. [illegible] to pay for the excess area 13.5 acres at $3.00 per acre.

Respectfully submitted,

[illegible]

Chief of Branch.

Ref. 1958732.

Original on File 1958732. 16th May, 1913.

To His Royal Highness.

The Governor General in Council.

The undersigned has the honour to report that Mr. Charles Kremmer has made application to be permitted to make homestead entry for lots numbered 43 and 44, Spirit River settlement, being a subdivision of part of Township 70, Ranges 5 and 6, west of the Sixth Meridian, in the Province of Alberta, or which lots he has been a squatter prior to survey, and to obtain as a free grant the numbered 9 and 16, of the said settlement by virtue of occupation at the date of the establishment of the said settlement.

The undersigned has further to report that Mr. Kremmer's letter is one of the many thousands that the country has become flooded with from persons who have arrived at the Edmonton Land Office from the United States, and who, on being questioned as to their intentions, state that they have come to Canada for the purpose of securing homesteads. Many of these persons, on arriving at Edmonton, find that the lands which they had intended to take up are already occupied by squatters, and that they have no means of subsistence until the crops can be harvested. The undersigned, therefore, does not consider that Mr. Kremmer should be permitted to make homestead entry for the said lots, but that he should be required to purchase the same at the regular price, after survey, if he desires to obtain them.

The undersigned, therefore, recommends that Mr. Kremmer be informed that he cannot be permitted to make homestead entry for the said lots, but that he will be required to purchase the same at the regular price, after survey, if he desires to obtain them.

All of which is respectfully submitted for Your Royal Highness' approval.

P.C. 659

Certified copy of a Report of the Committee of the Privy Council, approved by His Royal Highness the Governor General on the 16th March, 1911.

Copied for the printer Jos. P. D.

The Minister of the Interior submits, under date 6th March, 1911, that application has been made, on behalf of la Corporation Episcopale Catholique romaine d'Athabaska for a free grant of lot numbered 41, Spirit River settlement, by virtue of having included the right thereto in scrip issued.

The Minister further states that, as evidence has not been produced to show that Mr. Wilcox was in occupation of the land at the date of the conclusion of Indian Treaty No. 8 in the summer of 1899, which evidence is essential to constitute a right to a free grant, it would not appear that the application may be granted, but, in order to protect the valuable improvements which it has been established have been placed thereon, he the Minister recommends that authority be given to sell Lot Numbered 41, Spirit River Settlement, containing 141 acres, to la Corporation Episcopale Catholique Romaine d'Athabaska, at the rate of $1.00 an acre.

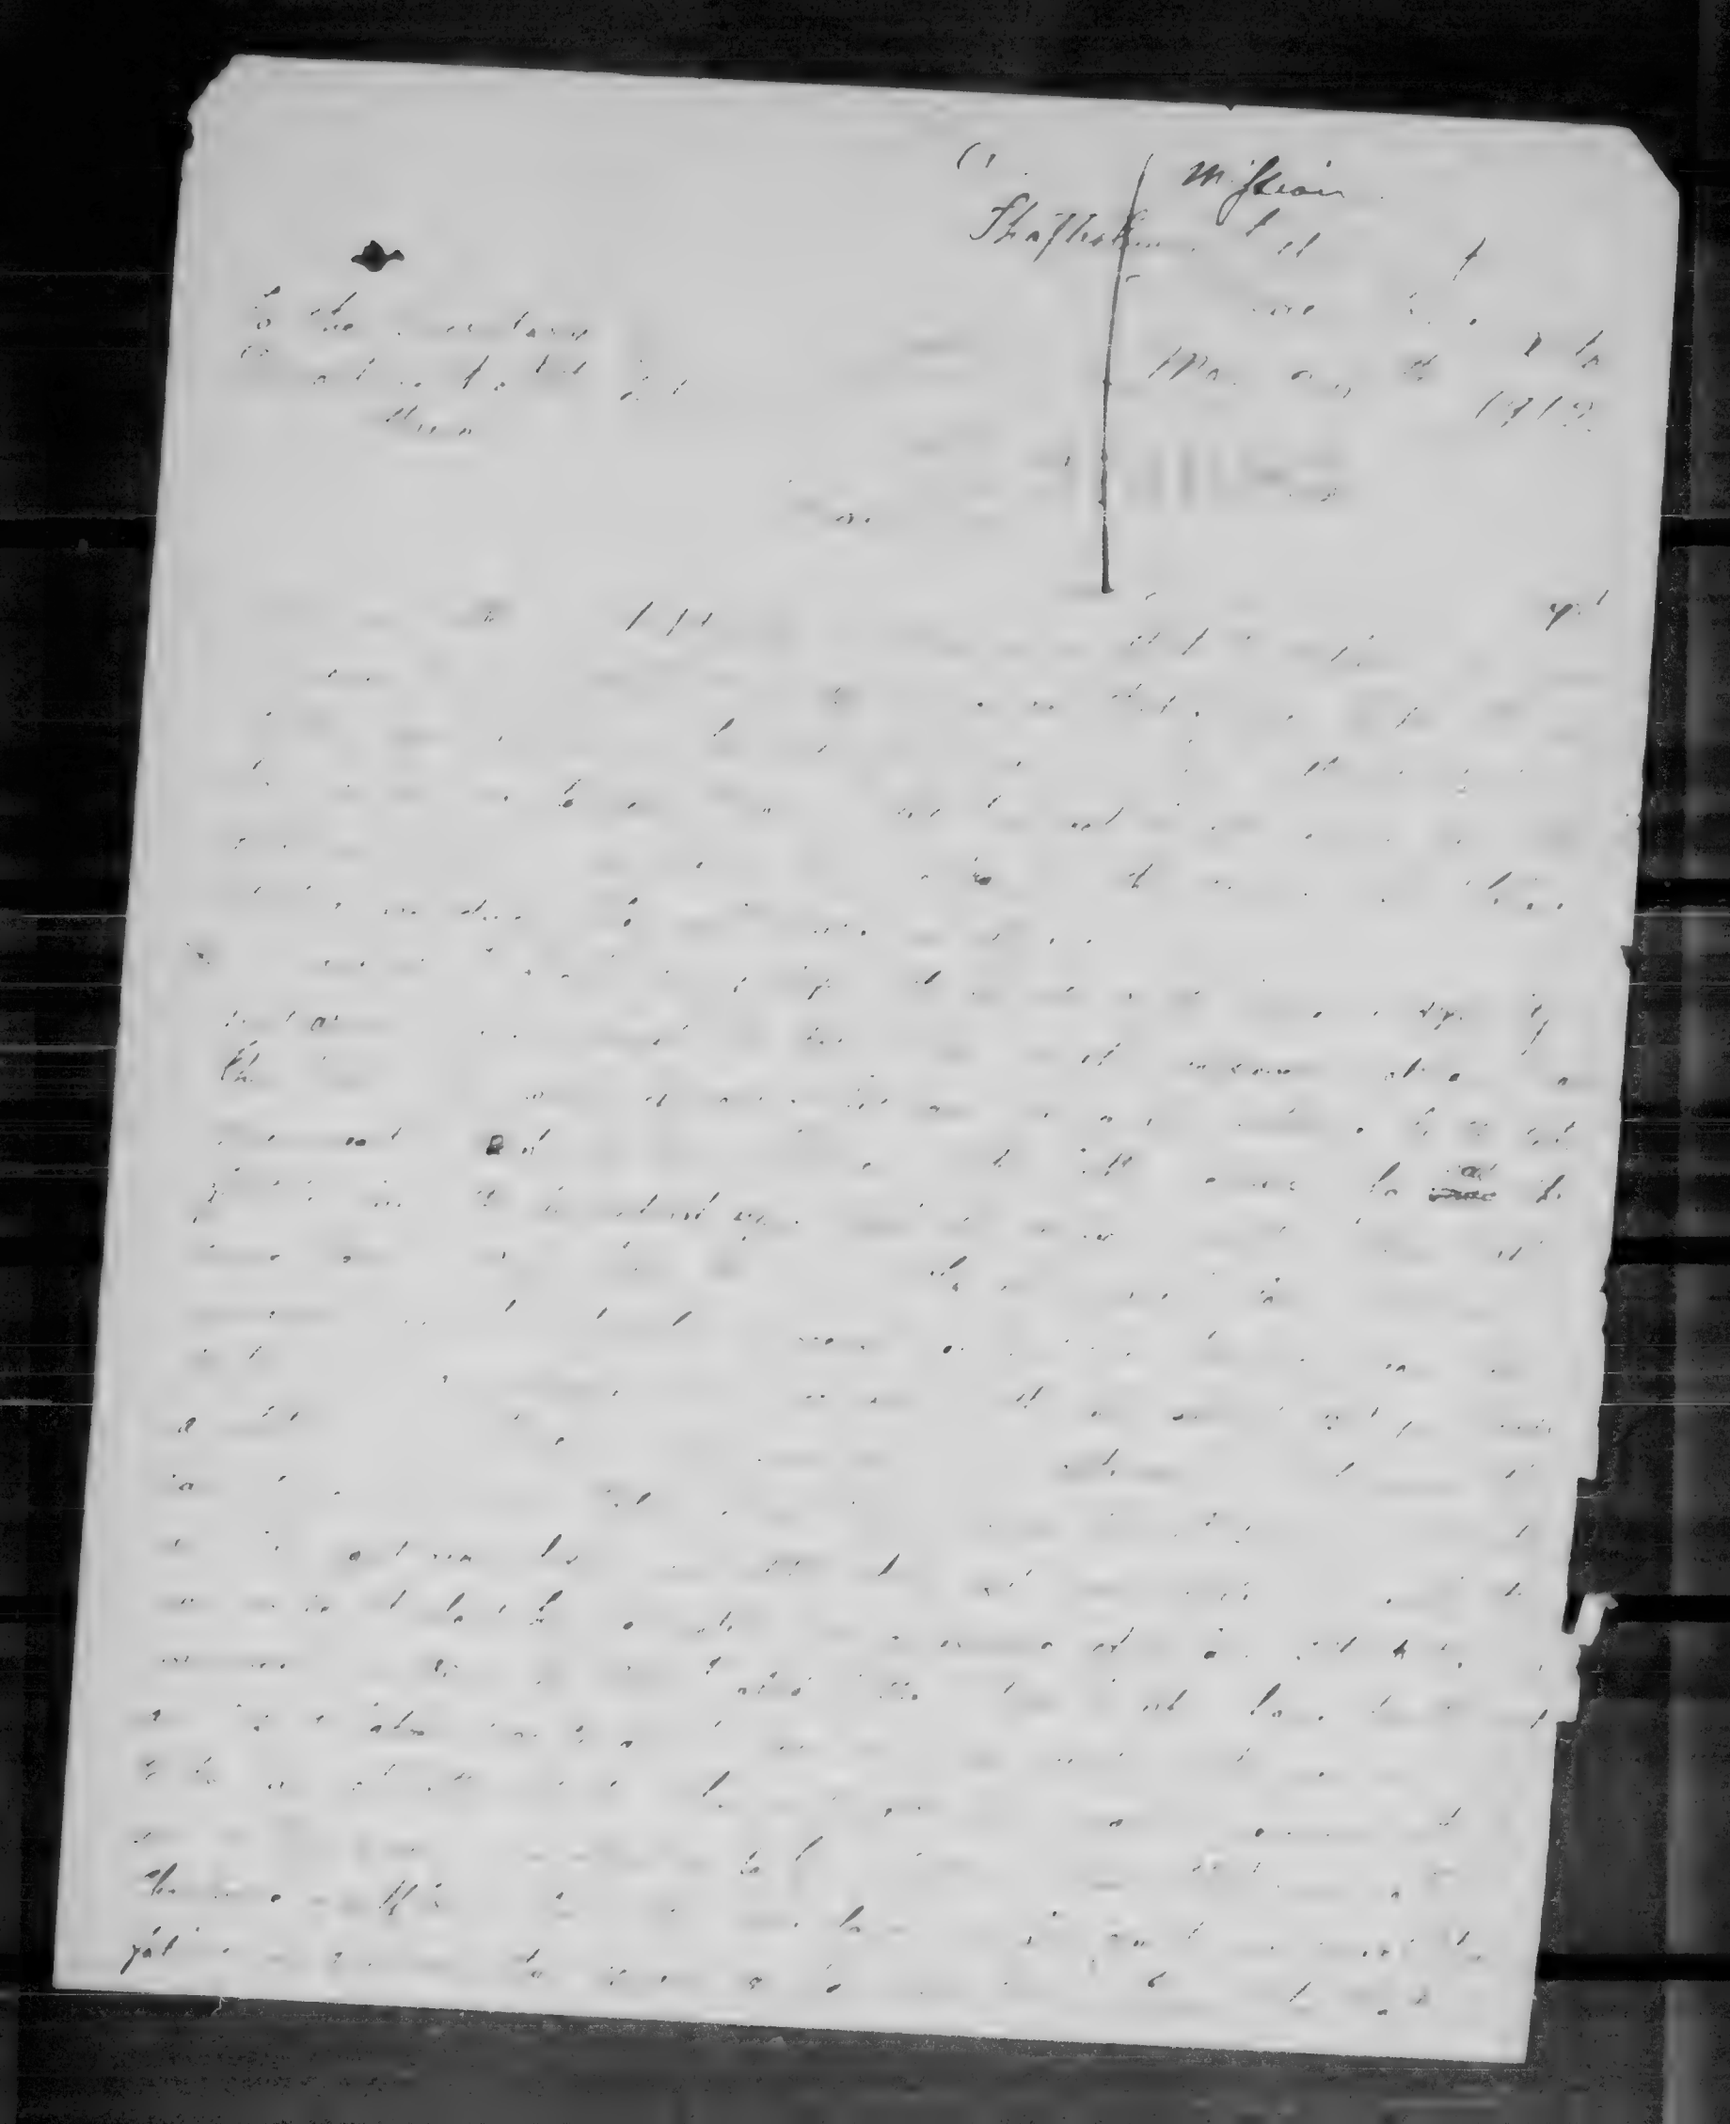

The Committee submit the same for approval.

The Minister, therefore, recommends that the lands in question, which are occupied by the applicants at the above points, be sold to them at the rate of $4.00 per acre.

The Committee submit the same for approval.

Sir: (File No. 151[illegible])

On the 28th of May last you wrote to Revillon Freres Trading Company Limited, Edmonton, Alberta, a letter replying to their request to have Letters Patent for certain parcels of land occupied as trading posts issued in the name of Revillon Freres Trading Company Limited. You asked for a statutory declaration setting forth that Revillon Bros. Limited is now correctly known and described as Revillon Frères Trading Company Limited. As a matter of fact we were the Counsel for the Company, and acting through Messrs. Smart, Scott, Maclaren & Kelley, of Ottawa, we obtained the Act which incorporated Revillon Frères Trading Company Limited. This Company has taken over all of the assets of Revillon Bros. Limited as appears by the enclosed statutory declaration of the Vice-President of the Company. We trust this information will be all that is necessary for your purposes.

We have the honour to be,

Sir,

Your obedient servants.

Mr. H.O.C ote, I.S.O.,

Chief of Land Patents Branch.

Before leavin for the West Mr. Bedoe requested me to reply to your memorandum of the 4th instant. As the $8·5.00 was received on the 21st of October, 1912, and applied in the records of the Department on the 24th of October by Receipt No.12587, it would be at variance with the practice of the Department to substitute Scrip which was received in the Department at a later period. In my opinion when Mr. Fortier recommended that the Scrip received on the 6th November, 1911, be refunded, he adopted the proper course to pursue.

Gentlemen,

Replying to your letter of the 3rd ultimo, respecting the scrip notes for $480 returned to you on the 12th July last, and which you forwarded on the 1st November, 1911, to be credited on account of your purchase of certain lands at Sturgeon Lake Indian Reserve, Peace River Landing, Dunvegan, Spirit River and Grande Prairie, aggregating an area of 241.30 acres at $3 per acre, I am directed to explain that as the cheque for $885 which you had already forwarded in payment for these lands was received on the 21st October previous, and applied in the records of the Department on the 24th idem as set out in the official Receipt No. 12587 to you, it would be at variance with the practice of the Department to substitute scrip which was received at a later period. Therefore your request to be permitted to again forward the scrip and receive a cheque from the Department in exchange therefor cannot be granted.

Dear Sir:-

Re. file 1021612 Attention Mr.Geo. D.Rake

Mr.H.B.Hall the manager is at present away and will return about the 1st. of July when his attention will be directed to your communication of the 13th. inst.

We might say that collections are very slow at the present time owing to the miserable price for grain otherwise we would have paid this off long since.

We hope to settle this in the near future and ask your patience for a short time.

Yours sincerely,

Dear Sir.

Re Alexander Maloney
S.W.4-48-1 W4tn

We have your letter of the 9th regarding the non-payment by us of the grain lien on this land.

It appears to us that you have overlooked our letter of the 2nd inst which we sent in reply to a former letter of yours.

In this letter we tried to tell you that it is impossible for us to meet this obligation at the present time.It is just as - - as a bargain that we are able to stay in business at all. and we see no relief till the harvest starts , when we hope to get in some of our book accounts, and so be able to pay you this money.

We again request that you will not force us to do the impossable. It is not very long now before the harvest and we be, that you will give us this little additional time.

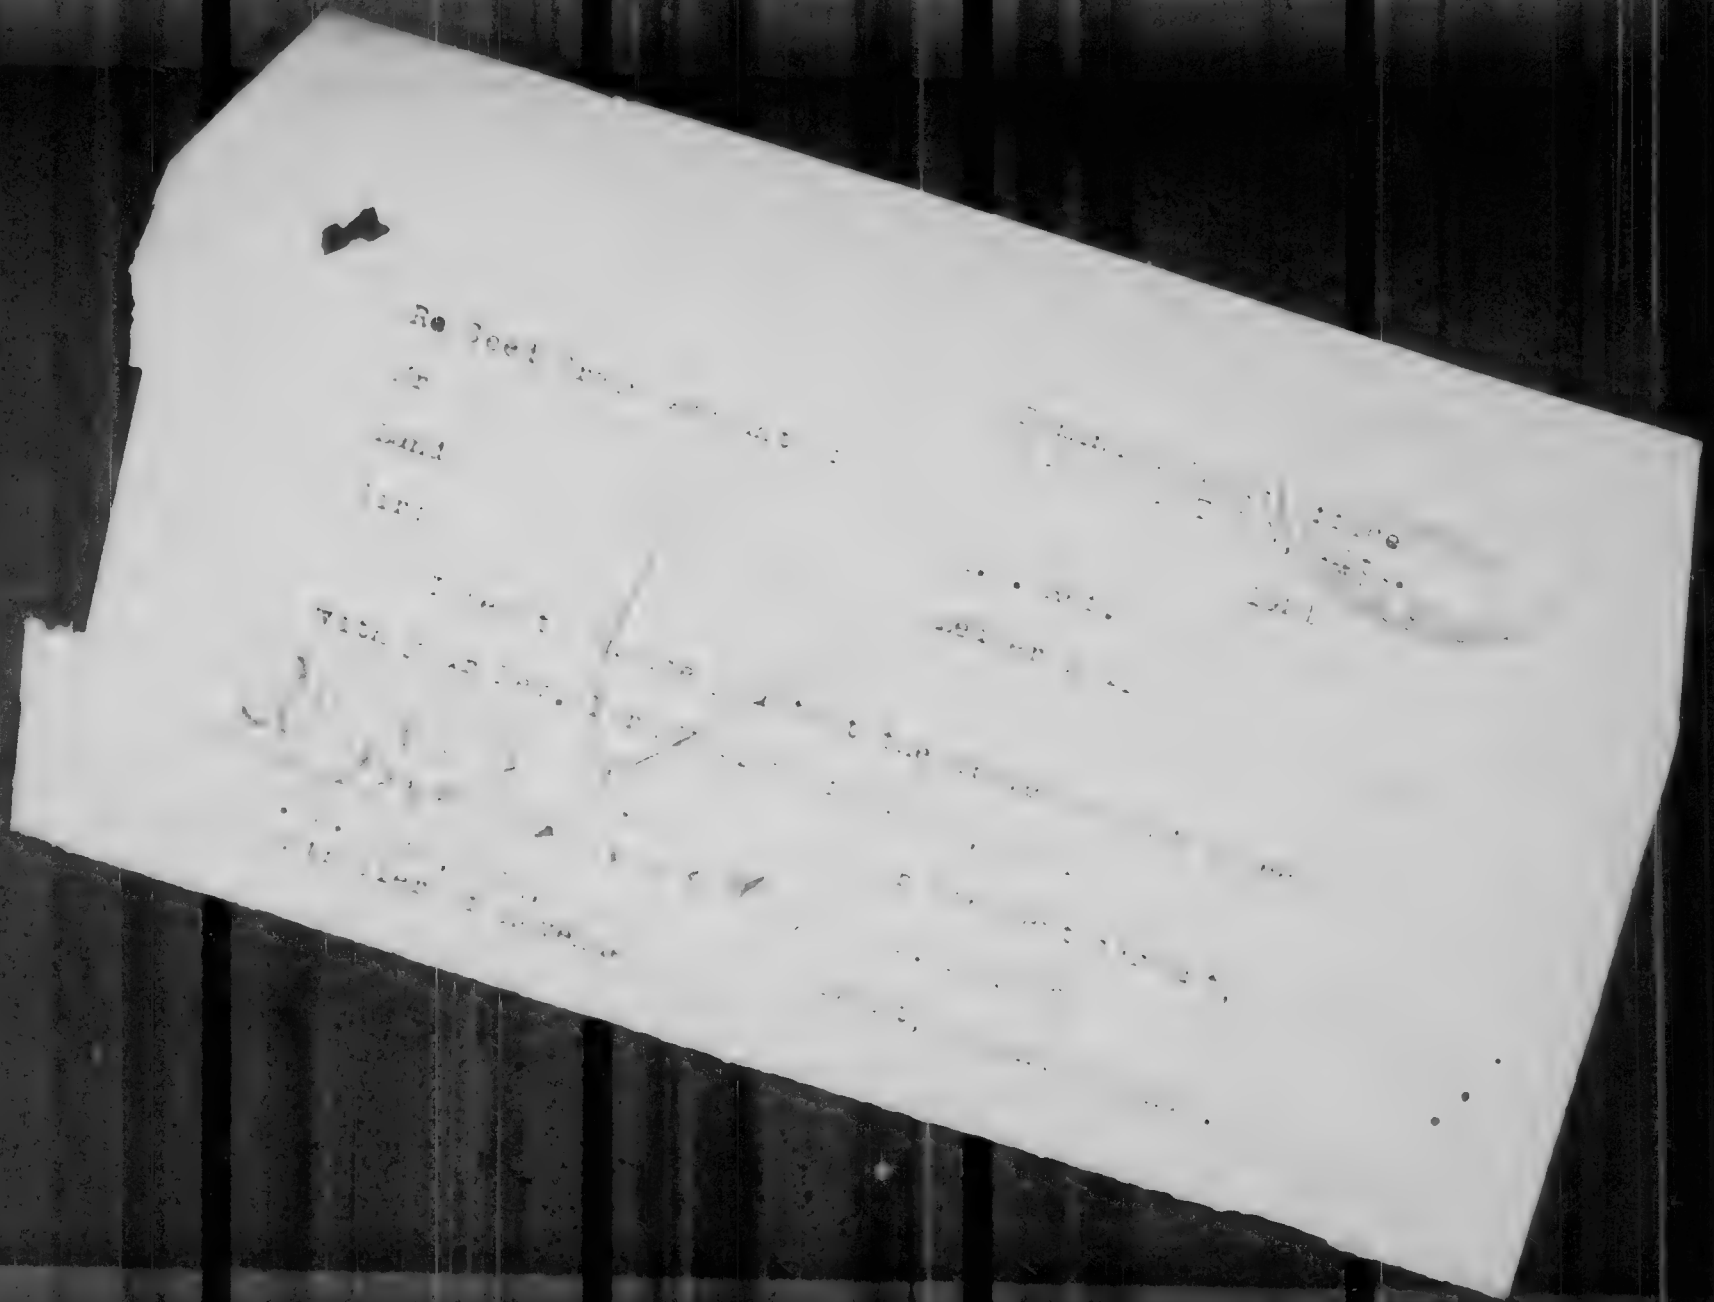

Thanking you in advance

Yours truly

Re: Account of Alexander Maloney,
S.E. 4-48-1-W4.

Dear Sirs:

During the year 1912 while homesteading the above mentioned land, Mr. Alexander Maloney received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. We trust you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $392.24 of which $149.14 is principal and $243.10 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. McCapelain,
Chief, Lands Division.

Dear Sirs:

RE: S.W. 4-48-1-W.4th

You wrote to us on the 13th of February, 1956, concerning the seed grain account of Alexander Maloney charged against the above land. The information you have given us in this letter has been most helpful and we believe under the circumstances the Seed Grain Advisory Board will be willing to grant a reduction in your case.

In order to assist you in clearing the title to this land, we are prepared to recommend to the Board that the principal amount of $145.20 be accepted in full settlement of the claim, and that the accrued interest of $247.12 be cancelled. Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

RE: Account of Alexander Maloney
S.W. 4-48-1-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1912 seed grain in the amount of $165.50 was advanced to Alexander Maloney on the security of the above described land. One payment amounting to $10.00 was received in 1921 and was applied to principal and interest. The present standing of this account is:-

Principal	Interest	Total
$145.12	$247.12	$392.24

In reply to our enquiry concerning the Federal indebtedness charged against this land. Messrs. H.B. Hall and Son Limited, Lloydminster, Saskatchewan, on the 13th of February, 1956, wrote in part as follows:-

"Thank you for your letter of the 9th of Feb. it gives us the information that we have often thought of procuring from your office but had never bothered for the reason that we have never been sufficiently flush of funds to feel free to pay the account if we found that it still existed. As a matter of fact we were under the impression that all these old seed grain liens had been wiped off years ago, by act of Parliament.

To review the situation regarding this property, we would like to say that we purchased this land about the year 1921 from A. Maloney in order to liquidate an account that he owed our firm. As things turned out we would have been far better off to have written the account off to "Bad Debts". Because in the purchase we were required to pay off several accounts, including your seed loan. Subsequently we rented the land to various tenants who generally speaking were unsatisfactory and then in 1932 we sold the land to Wm. Peredniak who still owes us a considerable balance.
In view of the "hard times" of the 30s and Peredniak's evident difficulty in meeting his payments we agreed in May of 1945 to forgo the collection of any interest up to that date.

For our own part we like many other merchants on the prairie wrote off thousands of dollars of accounts in the 30s. particularly because conditions had got so bad that it was hopeless to try to collect. Then in 1936 we in our own turn found ourselves in such circumstances that we were compelled to make a compromise with our creditors which took us years to liquidate and we still find ourselves suffering from the set-back that we received at that time, from those conditions and also the fact that we were burned out in 1929 when the centre of our town was gutted by fire. Thanking you for your consideration, we are,"

This land is situated in an area where the crops were poor for many years. It is not a very valuable quarter section.

After negotiations the sum of $145.20, being approximately the principal has been received in full settlement of our account. Under the circumstances and in view of the previous payment, this is considered equitable.

Sir:-

re your file 100134.
re description for River Lot 1,
Spirit River Settlement.

I am in receipt of your letter of the 1st inst. asking an explanation of the difference as set out in the patent for River Lot 1 between the land is 144.00 acres and not 144.

In dealing with the plan of Spirit River Settlement approved and confirmed by the Surveyor-General at Ottawa on the 21st day of October, 1916, the areas of the various lots have been computed to include any of the area covered by the waters of Spirit River and it was for that reason that I could not understand the seeming discrepancy in the areas set out in the patent.

However, according to your letter of the 1st inst. the areas as shown on the approved plan include that part of the river as far as the middle of it.

Certificates of title have been issued from this office for Lots 2 & 3 of the said plan and immediately adjoining Lot 1 on the receipt of patents issued by your office, and it appears to

DEPARTMENT OF THE INTERIOR

Land Patents Branch

Ottawa, 13th June, 1921.

[illegible]

Sir: Re description in patents for Lots 2 and 3, Spirit River Settlement.

I beg to acknowledge the receipt of your letter of the 17th ultimo, and to say that at the time the patents for the two above mentioned lots were issued it was not the practice in the Department to deduct from the area shown on the plan of the lots the area of half the width of the river where the area on the plan was given down to the centre of the river but nevertheless, the description in these patents is perfectly clear and does not grant any of the land covered by the waters of the river as the river bank is clearly stated to be the boundary of the parcel notwithstanding the area quoted in the description.

All Dominion Land grants in which the land described is affected by a body of water does not convey any land below the bank of the body of water which forms the boundary of the parcel as the Department has not the power to make a grant of land covered by water, and, therefore, for sometime past when the Department has wished to issue a patent for a parcel of land bounded by a river and where the area of the parcel is shown on the plan down to the middle of the river in order that the grantee may not have to pay for more than actually exists in the parcel not covered by water, the area of the river or so much of it as affects the parcel is, therefore, deducted in the grant.

Trusting this explanation will be satisfactory.

Your obedient servant,

MEMORANDUM:—

N.E.¼—35—60-6-W.4th Meridian.
Squatter's claim of A.Bussioux.
Noted on odd section lists as
undisposed of squatter's claim.

Mr.Bussioux represented that he had a house valued at $700.00 on this quarter section and that when he took possession there was no person in residence and no improvements thereon.

The quarter section is affected by a Statutory Declaration made before the Surveyor by Mr. Charles Roy, in which the latter states that he went into bona fide residence on the property on the 15th October, 1907, has been in residence ever since, and has a house valued at $50.00 and two acres of clearing.

Mr.Homestead Inspector Doze now states that Mr.Bussioux has been in residence since September, 1908, to the present time, and has improvements in the shape of a house valued at $500.00, a stable valued at $200.00, and building material valued at $75.00.

The Inspector represents further that Mr.Bussioux should be granted entry and adds that "Mr.Roy was never in residence. The only improvement was some small logs laid up of no value".

The point now to be decided is whether Mr.Bussiox is to be granted entry, or whether the quarter section is to be made available by posting.
